REASONS FOR ALLOWANCE

1. Claims 30-32, 34-41, 43-52, 54-63, 67, 68, 71-82, and 84 are allowed over the prior art of record.

2. The following is an examiner's statement of reasons for allowance:

Regarding Claims 30 and 52, the invention as claimed, specifically in combination with each amplifier having a first power mode during a first operational period and a second power mode during a second operational period, with a reset switch that, when closed, resets the amplifier and a floating diffusion node or storage node coupled to the photodetector and to the input of said amplifier, is not disclosed or made obvious by the prior art of record.

Regarding Claims 43 and 75, the invention as claimed, specifically in combination with an amplifier having a first power mode during a first operational period and a second power mode during a second operational period, with means for resetting the amplifier and the capacitance, is not disclosed or made obvious by the prior art of record.

Regarding Claim 68, the invention as claimed, specifically in combination with an amplifier having a first power mode during a first operational period and a second power mode during a second operational period, with an output circuit of the amplifier located outside the array of pixels and the amplifier is a capacitive transimpedance amplifier, is not disclosed or made obvious by the prior art of record.

Regarding Claim 77, the invention as claimed, specifically in combination with the amplifier having a first power mode during an integration period and a second power mode during a readout period, with amplifier output circuitry located outside the pixel array; and the

amplifier, the amplifier output circuitry, and the feedback capacitor together forming a capacitive transimpedance amplifier, is not disclosed or made obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
